Contribute to DSU

WELCOME DONORS!

Support the DSU 2013-14 Annual Giving Program:
Become a part of the 1Hornet Nation and Be Counted!

Today brings the excitement of a new beginning and the start of a new fiscal year for Delaware State University. Thank you for your support to DSU last year, whether financially or in other ways! We realize the sacrifice you made to help DSU and we greatly appreciate your time and financial support.

Today we encourage you to continue supporting DSU with a financial contribution this year. DSU needs your support to continue *making our mark on the world*.

Our critical need is scholarships to help students return and finish their degree at DSU. Remember your story while at DSU or the college you attended. What would your life be like if you did not get your DSU diploma? Imagine the students today who have similar stories at DSU?.. Support 1Hornet Nation!

Over the course of the year, you will hear about various opportunities that will allow you to support DSU. To help you better plan and determine which giving opportunities make the most sense for you, a list of upcoming opportunities is listed below. Most of the communication that you receive moving forward will be online.

We are going green for DSU students! Did you know, by limiting the number of mailings in a year, we could provide scholarships to a minimum of 20 DSU students to help them graduate? Here is how you can help:

1. Make a Financial Contribution (each of the giving opportunities count toward your total contribution for the year)
2. Make sure we have all your contact information updated (phone, address, and email address)
3. Connect with DSU on social media (Facebook, Twitter, LinkedIn)
