Parents and Families

WELCOME PARENTS AND FAMILIES!

We are happy to welcome your family to our Delaware State University community. As your student learns and grows, we know that his or her time spent at DSU will be both rewarding and challenging.

Through information on this site and our email newsletter, ParentBuzz, we will help you stay connected to campus. We welcome your ideas and feedback during your student's DSU experience.

Did you know? Wednesdays we're open late

For your convenience, the offices on the first floor of the Administration Building at Delaware State University -- including the offices of Admissions, Financial Aid, Records and Registration, and Student Accounts -- are open late on Wednesdays to accommodate students and their families who find it hard to stop by during regular business hours. Take care of a variety of needs -- registering for classes, having financial aid questions answered, checking a student account status and more -- each Wednesday until 6 p.m.

Cost calculator is available online

Students and their families are encouraged to use the new online Net Price Calculator to learn more about the costs of pursuing an education at DSU and the financial aid and scholarship options that may be available to help students.
To use the calendar, visit www.desu.edu/npc [1].
