# Academic Programs

Knowledge is key to achieving your life goals, and at DSU, you will acquire the education and skills you need to be a competitive force in today's changing global job market. Whether you?re improving upon a career in business through our MBA program or looking to hone your skills while learning the latest technology in Applied Optics, DSU has a dedicated faculty and challenging curriculum to empower you for life's road ahead.

Delaware State University awards a total of 25 Master?s degrees, including Master of Arts, Master of Science, Master of Business Administration, Master of Education, and Master of Social Work degrees. In fact, DSU has the only Master of Social Work (MSW) program in the great state of Delaware! The University has increased its doctoral programs to include Chemistry, Educational Leadership, Interdisciplinary Applied Mathematics and Mathematical Physics, Neuroscience, and Optics.
