Please click here to donate online. [1]

An array of possibilities exists at Delaware State University for donors interested in naming opportunities. The financial requirements for naming opportunities differ, and donors are encouraged to discuss their ideas with the Office of Development.

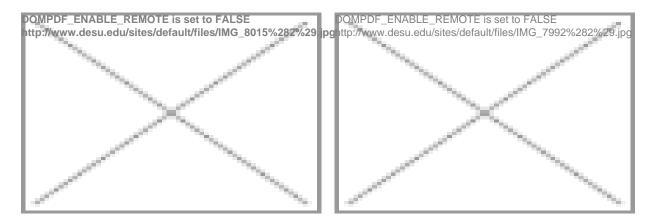

We invite you to consider a wide variety of opportunities and help DSU address current needs and prepare for the challenges of the next century. All facility naming opportunities are subject to DSU Board approval and while these are guidelines; we welcome the opportunity to work with you directly to meet your particular interests. Please give us a call at 302.857.6055 if you have an interest in reviewing the options in greater detail or planning your gift to partner with DSU.

Current naming opportunities exist with for facilities such as the Wellness & Recreation Center and the DSU Strength and Conditioning Center.
