### 10:45-11:45 a.m.

PRIDE in Planning? an interactive workshop presented by the DSU Office of Financial Aid

### Location: Education & Humanities Building, Theater

The Office of Financial Aid will discuss strategies for preparing your student for an entire academic year:

- The importance of planning ahead
- The importance of meeting financial aid deadlines
- How finishing school on time will have a positive impact on your finances

OR

PRIDE in Health? an interactive workshop presented by the Office of Student Health Services, Counseling and Wellness & Recreation Center staff

Location: Science Center Building, Room 223

The offices presenting this workshop take a very holistic health approach to addressing the physical, mental and spiritual needs of your students. During the workshop, representatives will provide more details about the programs offered that help students to take pride in themselves and enjoy healthy, happy, Hornet lifestyles:

- Hornet Hustle 5K
- Peer counseling
- SWAT

OR

PRIDE in Careers ? an interactive workshop presented by the DSU Office of Career Services

#### Location: Bank of America Building, Longwood Auditorium

Career Services supports student achievement through academic, social and career sustainability suitable to today's global society. The workshop will discuss:

- How to be an advocate and career coach for your student by learning about resources that strengthen their professional and leadership skills.
- Career Seminar and Professional Development Series
- Annual Career Fair

## 12-1 p.m.
