## **Mission**

The mission of the department of Student Health Services is to assist students in the pursuit of their academic goals and personal development by providing quality and confidential health care services. Striving to maintain a healthy campus community, emphasis is placed on the prevention of illness and the promotion of wellness through health education.

To fulfill our mission the Student Health Service staff will:

- Provide quality health care in a professional and caring environment;
- Adhere to ethical, professional, and legal standards;
- Offer health promotional activities to assist students in making healthy lifestyle choices;
- Refer students for services not available on campus;
- Monitor for and respond to public health concerns.
