

## University Policies and Procedures

## Delaware State University University Policies and Procedures

### Introduction

The Policies and Procedures Manual for Delaware State University includes most general University policies. It is subject to additions, removals and other changes based on the needs of the University and without prior notice. Departmental and college policies, and certain safety regulations, have been excluded but may be obtained from the appropriate unit. The Manual represents a source for written policies affecting University personnel and in some instances University students, visitors and those with whom the University does business. It recognizes and encourages the need for continuous review and improvement of policies, practices and procedures.

The University Policies and Procedures Manual is comprised of 12 policy areas:

1. [Administrative](#) [1]: Policies and procedures regarding the governance of the University. These include the University, President, Board of Trustees, Provost, and Administrative Council.
2. [Academic/Research/Libraries](#) [2]: Policies and procedures relating to the establishment, management and assessment of academic programs, academic appointments and research.
3. [Financial](#) [3]: Policies relating to the University's financial records, budget, payroll, accounting and asset management.
4. [Human Resources](#) [4]: Policies related to recruitment, employment, benefits, separation, conflict management, equal employment opportunity, affirmative action and other employee/employer concerns.
5. [University General Counsel/Legal Affairs](#) [5]: Policies and procedures governing the legal affairs of the University within the institution and beyond.
6. [Student Affairs and Enrollment Management](#) [6]: Policies and procedures addressing the recruitment and enrollment of students as well as the management and delivery of student services at the University.
7. [Risk and Safety Management](#) [7]: Policies and procedures related to Risk Management and Public Safety within the University. They are designed to protect the University community and its assets.
8. [Information Technology](#) [8]: Policies and procedures related to the management of IT networks, security, privacy, and responsible and ethical use of IT resources and services.
9. [Procurement and Auxiliary Services](#) [9]: Policies and procedures related to the purchasing of equipment and services to meet the needs of the institution.
10. [Facilities Management](#) [10]: Policies and procedures that allow for the effective management and maintenance of University-owned or operated structures, chattel and energy related facilities. Also included are the University's architectural and engineering services.

11. [University Athletics](#): [11] Policies and procedures related to the management of all University Athletic Programs and compliance with MEAC and NCAA rules and regulations.
12. University Sponsored Programs: Policies and procedures related to the effective management of all University Sponsored programs.
13. Public Safety
14. University Testing Services
15. [University Foundation](#): [12] Policies and procedures related to the DSU Foundation and charitable contributions made to the University
