

## **The 2nd Annual Weight Management Strategies Conference**

### **Dates:**

Friday, March 21, 2014 - 8:30am

## **The 2<sup>nd</sup> Annual Weight Management Strategies Conference**

### ***One Approach Doesn't Fit All***

Friday March 21, 2014

Delaware State University

Martin Luther King Student Center, Parlors A, B & C

8:30 am to 4:00 pm

**[Register for the Conference](#)**<sup>[1]</sup>

### **Conference Purpose**

The purpose of the conference is to share successes, strategies, and options to deal with obesity in the state of Delaware. Speakers will also address strategies for dealing with specific populations, including children, African Americans and individuals with disabilities.

### **Target Audience**

The Conference will draw a diverse mix of healthcare providers (physicians, nurse practitioners, nurses, physician assistants, and dietitians), as well as fitness professionals, public health employees, teachers, advocates and others. CEU's have been applied for.

### **Featured Speakers**

**Michelle Gourdine**, MD; Author, *Reclaiming Our Health: A Guide to African American Wellness*

**Felicia Stoler**, DCN, MS, RD, FACM; Host, *TLC's, Honey We're Killing the Kids!*

Dr. Stoler is sponsored by:
