

Academic Enrichment

Greetings from the Executive Director!

DOMPDF_ENABLE_REMOTE is set to FALSE

 Welcome to the Division of Academic Enrichment Website. As our name suggests, our goal is to enrich and support the undergraduate learning experience at the university. The function of the division is to provide continuous identification, intervention, monitoring and follow-up of all students to ensure student's success. We work in collaboration with academic departments and student life units across the university to develop programs and activities that impact retention and graduation of our students. The division is composed of the following offices which offer a variety of programs: Academic Support Center, Mentoring and Advising, Testing Services, McNair Scholars and the University Studies and First Year Programs. Please explore our website and become familiar with our services listed. We look forward to serving you.
