International Students Association

International Students Association

The International Students Association is dedicated to satisfying the needs of international students of the organization comprises of hardworking, devoted and serious students putting their best efforts to Our association has been created for the benefit of any international student and we extend our welcome as international students may learn from citizens of this country. This is an open invitation for all in students to join the association. Please come for the fellowship at meetings and participate in fun act with fellow members. The most important thing is to be recognized as an international student.

The goals of the ISA are to:

- Create a positive atmosphere for international students to interact intellectually and socially to enter their stay at Delaware State University.
- Develop a culture of collegiality among all students.
- Harness our multicultural strength to help our institution and its members make a positive contr to national and international development.

Membership fee: \$10 per year
