Mission Statement: The mission of the Office of Testing is to assist DSU students and the surrounding community in assessing their knowledge, skills, and abilities as they related to higher and continuing education by providing a variety of local and national testing opportunities. This is accomplished through the use of written and computer-adapted assessment and testing instruments.

Director?s Note: These are exciting times for Office of Testing. Our office is enjoying new levels of respect and distinction in accomplishing our goals. At the core of this newfound enthusiasm are a dedicated staff committed to ensuring that each customer (internal/external) receives unwavering attention, assistance and support. The testing office emphasizes quality in all aspects of its operational processes. The Office of Testing is committed to strive for excellence. The ultimate goal for the office is to be the very best it can be as premium testing location in the State of Delaware.
