## A MESSAGE FROM

# THE VICE PRESIDENT

On behalf of the faculty, staff, students and alumni, it gives me great pleasure to welcome you to Delaware State University, your home for intellectual, social, spiritual and professional growth. The Division of Student Affairs supports the University's vision of becoming "one of America's most highly respected Historically Black Colleges and Universities" by providing DSU students with a vast array of high quality programs and services that promote student success.

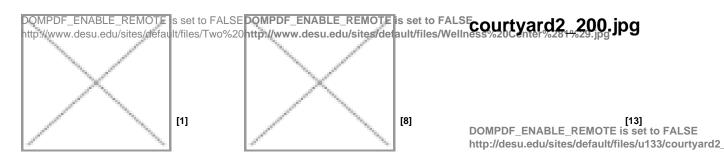

The Division of Student Affairs is comprised of 14 departments: Undergraduate Admissions, Career Services, Conferences and Events, Counseling Services, Dining, Housing and Residential Education, Judicial Affairs, Martin Luther King, Jr. Student Center, New Student Orientation, Public Safety, Student Health Services, Student Leadership and Activities, Veteran Affairs, and Wellness and Recreation. The programs and services offered by our team of committed professionals complement DSU's outstanding undergraduate and graduate academic programs.

Delaware State is an inclusive community where the diverse views and talents of the many members of this learning community are valued and celebrated.

It is great to be a Hornet! I encourage you to contribute to DSU's diverse, vibrant campus community by participating in the Student Government Association or one of the over 60 clubs and organizations that we have. I wish you much success as you study hard, get involved and get ready to "Make Your Mark on the World!"
