

## **Senior Brunch & SGA Exec. Dinner with First Couple -- Photo Slideshow**

Posted: April 26, 2013

DSU President Harry L. Williams and his wife Dr. Robin Williams held two events at their home on April 25 that honored DSU's 2013 graduating students and welcomed the incoming top student leadership officers for upcoming academic year.

The University's First Couple held the annual Senior Brunch at their residence for this year's graduating students. About 100 soon-to-be graduates attended the brunch. Later that evening, Dr. Williams and his wife hosted the newly elected Student Government Association Executive Officers for a dinner that also included the University vice presidents.
