

DELAWARE STATE UNIVERSITY
**NAMED & ENDOWED
SCHOLARSHIPS**

It All **MATTERS.**

Giving back to the next generation of young leaders is important to all of us. Thanks to our scholarship donors, Delaware State University is able to provide 62% of our students with significant scholarship funding each year at an average of \$6,659 per student.

This is only possible thanks to people who care about raising up our young people with the skills they need to succeed. Our students and our administration are grateful to those who continue to establish named and endowed scholarships to ensure all students are able to benefit from a Delaware State University education.
